The reason I joined the club is to expand my biking experience meet new friends, participate in different types of biking and be involved in WCMC events. Racing, trail rides, hare n hound, lime run, etc.

I was the WCMC Secretary, Membership Secretary, Board Member twice, Club Photographer and Road Captain. As club photographer a lot of pictures I took of members were framed and put on the walls by Jimmy Oroz. I was also the Club DJ. Many times and also mowed Grass for 3 years. I've done some corner marshalling, security, parking and worked the food booth a number of times. When I was road captain I started the Friday night bike rides that is still going.
