I became interested in motorcycles because my grandfather (Doug Browes) had a lifelong interest in motorcycles and so did my father (Ray Fournier). My grandfather Doug Browes was a long standing member until his tragic death due to an impaired driver in 1988. He was responsible for the surveying and layout of the current race track and campgrounds as well a number of other things around the club. My father, Ray Fournier, married Doug' second oldest daughter, Christine, and joined the club in 1984. He is still an active member today.

I have been involved with the club since the age of 5 and followed in the footsteps of my grandfather and father when I joined in Aug 2019.

I am proud to be a part of an organization that puts its members and the community first through various fund-raising events and rides. The club also supports its members and associates through club donations in the event that fellow riders may need a helping hand. The club is made up of a wide spectrum of members that bring forth a variety of attributes to make Welland County Motorcycle Club a great organization to be a part of.
